

WHEN TRESPASSERS INVADE THE TEMPLE

A Field Guide to Spiritual Deliverance

Based on the work "Pigs in the Parlor"
by Frank & Ida Mae Hammond.

The Central Metaphor:

The believer's body is a Temple of the Holy Spirit. Indwelling demons are not owners of the person, but trespassers—filthy swine that have invaded the parlor of the soul.

**We are not looking for ways to
make demons easier to live with.
We want no pigs in our parlor.**

The Enemy Hierarchy (Ephesians 6:12):

- ❖ 1. **Principalities:** Ruling spirits over nations and cities.
- ❖ 2. **Powers:** Authorities commissioned to carry out evil orders.
- ❖ 3. **Rulers of Darkness:** Spirits controlling the world system.
- ❖ 4. **Wickedness in High Places:** Forces of injury and destruction.

Key Insight: Satan is a defeated foe, stripped of authority by the Cross, but operates as a squatter. The believer must enforce the victory.

OWNERSHIP VS. POSSESSION

Can a Christian have a demon?

Spirit: Redeemed, "Holy of Holies" Safe.

The Distinction:

The Greek word "*daimonizomai*" means "demonized" (under influence), not "possessed" (total ownership). A Christian is owned by Christ, but may still harbor trespassers.

The Tripartite Being:

- **SPIRIT:** Redeemed, filled with the Holy Spirit. Safe.
- **SOUL:** The battlefield of mind, will, and emotions.
- **BODY:** The physical temple.

KEY 1: WILLFUL SIN

Sinners willfully (like Ananias & Sapphira) opens the heart to spirits of deceit.

KEY 2: TRAUMA

Moments of weakness or shock, particularly in childhood, allowing fear to enter.

Demons require a legal right to enter.
They cannot enter without a breach in the wall.

KEY 3: INHERITANCE

The ruse of generational curses. Spirits claiming a family line (e.g., "My father had this, so I will too").

SEVEN SIGNS OF THE INTRUDER

Diagnosis via Discernment and Detection.

- 1. **Emotional Problems:** Persistent resentment, hatred, anger, fear.
- 2. **Mental Problems:** Mental torment, confusion, memory loss.
- 3. **Speech Problems:** Uncontrolled outbursts, lying, cursing.
- 4. **Sex Problems:** Recurring unclean thoughts, perversions.
- 5. **Addictions:** Bondage to substances or habits.
- 6. **Physical Infirmities:** Diseases unresponsive to medical treatment.
- 7. **Religious Error:** Involvement in cults or occultism.

PREREQUISITES FOR DELIVERANCE

Clearing the legal ground before the battle begins.

The Protocol of Freedom:

- **HONESTY:** Bringing hidden things into the light.
- **HUMILITY:** Acknowledging dependency on God.
- **REPENTANCE:** A determined turning away from sin.
- **RENUNCIATION:** Burning the bridges to Satan.
- **FORGIVENESS:** The critical step.

Unforgiveness is the greatest block to deliverance. God delivers us to the tormentors if we refuse to forgive (Matt 18:34).

THE AUTHORITY OF THE BELIEVER

The battle is fought with the Keys of the Kingdom, not human strength.

- **Binding the Strong Man:** The ruling spirit must be bound before the house can be spoiled (Matt 12:29).
- **The Command:** We do not request demons to leave; we command them. They are trespassers.
- **The Weaponry:** Submission to God, the Blood of Jesus, and the Word of God.

MANIFESTATIONS: WHEN THE ENEMY LEAVES

Demons often manifest their nature before departing.

- **Common Signs:**
Coughing, yawning, deep exhalation, or screaming.
- **Serpentine Nature:** Hissing, Hissing, rigid fingers, or snake-like eyes (Luke 10:19).
- **The Assurance:** "Nothing shall by any means hurt you."
The believer is protected during this process. The minister must simply command: "Shut up and come out."

THE DEEPEST STRONGHOLD: SCHIZOPHRENIA

The Revelation of the Double Mind
(James 1:8).

The Nest of the Double Mind:
Schizophrenia is not just a mental illness,
but a demonic structure built on two pillars.

The Left Hand: REJECTION

- Rooted in a lack of love.
- Insecurity, Inferiority, Fantasy, Self-Pity.

The Right Hand: REBELLION

- A compensation for rejection.
- Hostility, Stubbornness, Self-Will, Resentment.

Lolo

DISMANTLING THE DOUBLE MIND

Deliverance requires “unlacing” the fingers—dealing with the spirits one by one.

The Process:

- The person must fall out of agreement with the false personalities of Rejection (withdrawal) and Rebellion (anger).

The Real Self:

Buried beneath this nest is the personality God created. It has been stunted but must now be allowed to grow.

The Goal:

To calm the hurricane of emotional turmoil and reveal the child of God within.

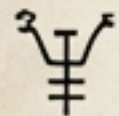

THE DANGER OF THE EMPTY HOUSE

Displacement is the key to permanent victory.

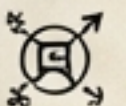

The Warning (Matt 12:44):

If an unclean spirit finds its house empty, it brings seven worse spirits. You cannot simply remove the negative; you must replace it with the positive.

Fill with **PURITY**: The Fruit of the Spirit.

Fill with **POWER**: The Gifts of the Spirit.

SEVEN STEPS TO RETAIN DELIVERANCE

Maintenance for the soul.

1. **Put on the Whole Armour of God**
(Helmet of Salvation protects the thoughts).
2. **Confess Positively** (Speak God's Word).
3. **Stay in the Scripture** (The cleansing agent).
4. **Crucify the Flesh** (Break old habits).
5. **Continuous Praise** (Silences the enemy).
6. **Fellowship** (Sheep alone are endangered).
7. **Total Commitment** (Submit every thought to Christ).

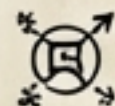

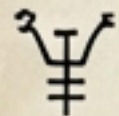

THE FINAL CONFLICT: A VISION

The Church is in the bottom of the ninth inning.

The Teams: The Church (Red & White = Blood & Purity) vs. The Enemy (Black & White = Mixture of Truth & Error).

The Call: We are not just defending; we are playing to win the World Championship. It is time for the **offensive.**

A TRUMPET CALL TO WAR

The Mandate:

The Church must rise in power, cast out demons, and heal the sick.

The Promise:

The battle is already won in Heaven; we simply bind on earth what is bound in Heaven.

**“The Kingdom of God is righteousness, peace, and joy in the Holy Ghost.
It is yours for the taking. Do not settle for anything less.”**
