

A person in a dark jacket and pants stands on the edge of a dark, jagged rock formation. They are looking up towards a bright, golden light source that breaks through a sky filled with dark, swirling clouds. The light creates a strong lens flare effect.

# PLACEBO: THE CHURCH'S DOPE

The True Story of a Divine Wake-Up Call

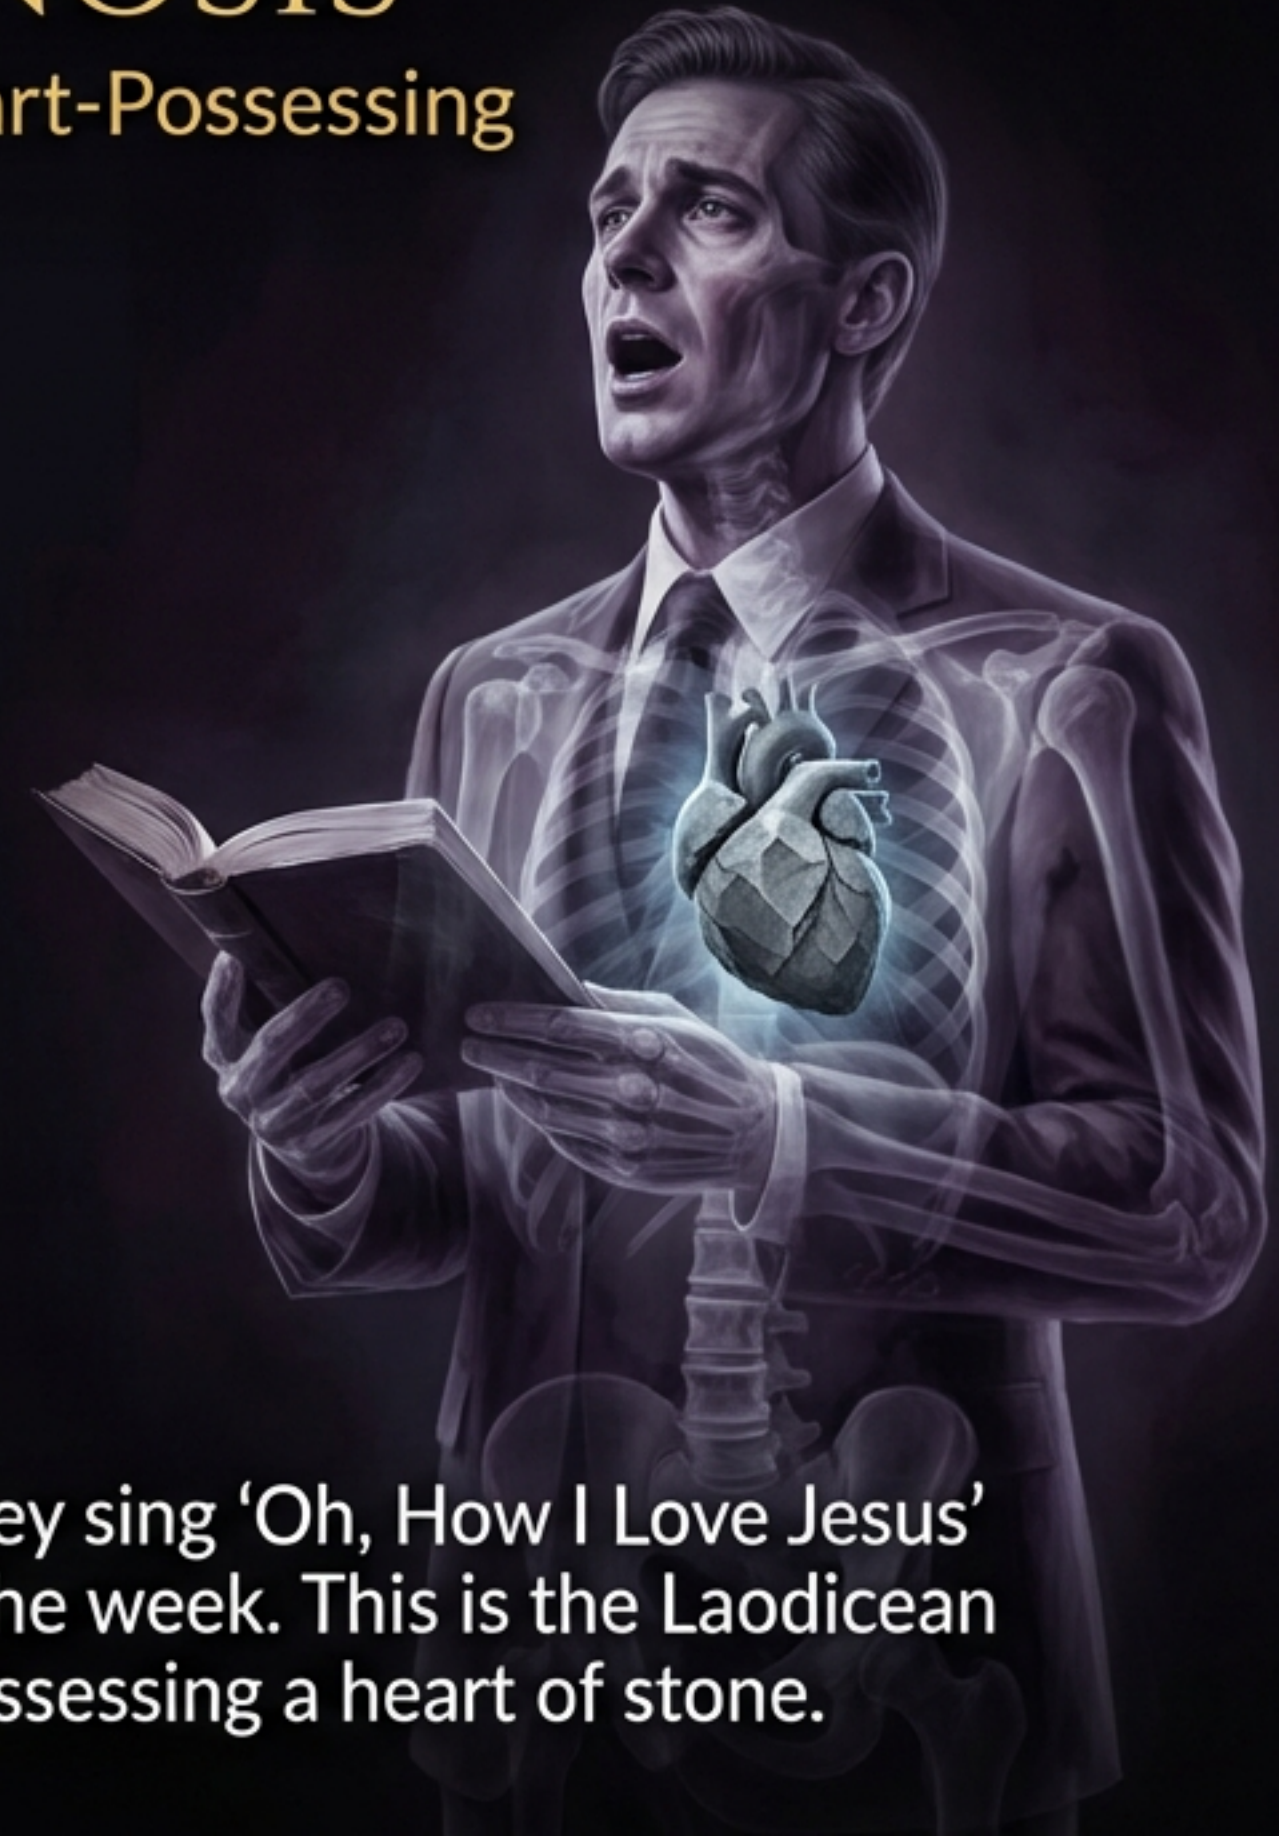

Webster defines a "placebo" as a medication prescribed for mental relief rather than actual healing. Today, a sugar-coated religion is being administered to soothe the conscience without curing the soul.

*"We knew the words, but we did not live the life."*

# THE DIAGNOSIS

## Mouth-Professing vs. Heart-Possessing

The 'patient' trusts the religious routine. They sing 'Oh, How I Love Jesus' on Sunday but live for self-interest during the week. This is the Laodicean condition: knowing about God, but possessing a heart of stone.

# THE RUPTURE

An Appointment with Death

August 3, 1979. The  
physical life collapsed.  
The veil was torn.  
The spirit was lifted.

"It is appointed unto men once to die."

The background of the image is a dark, atmospheric landscape. It features jagged, dark mountains under a heavy, stormy sky with dark, swirling clouds. A massive swarm of small, dark, winged creatures, resembling demons or dragons, is flying across the sky, creating a sense of chaos and destruction. The overall tone is dark and ominous.

# THE SECOND HEAVEN

## A World Without Love

An entire dimension totally void of love.  
Demons serve a master they do not love,  
and who loves them not. Their motivation is not loyalty,  
but a shared desire to create misery.

# THE HIERARCHY OF EVIL

- The Elite: Bronze Giants (Warring Demons)
- The Middle: Greed, Hate, Lust (Humanoid)
- The Lower: Perversion and Sadism (Grotesque)

“Satan is a personal devil with a structured army.  
We cannot resist an enemy if we do not believe he exists.”

# THE TACTICS: WAR FOR THE WILL

The Battlefield is the Will.

The Enemy's Tactic: Deception.  
Making sin look desirable.

The Angel's Role: Protection  
outside the will, unable to  
violate human choice.

# THE LAODICEAN TRAGEDY: THE 2.5%

For a moment of observation the glisnt.  
Many who called Him 'Lord' were left behind.

1,950 Lost

50 Saved

At the moment of observation, 2,000 people died.  
Only 50 entered the tunnel. 97.5% were not ready.  
Many who called Him "Lord" were left behind.

# THE FAILED PLEA

## A Life of 'Service'

'I shouted my works.  
I told Him of my preaching  
and sacrifice.  
God remained silent.  
My life of service was an  
abomination, for I had  
been my own God.'

# THE VERDICT: IDOLATRY OF SELF

Seek ye FIRST the Kingdom.  
Anything allowed to come between  
us and the Lord becomes our God.  
Good works done to soothe the  
conscience are dead works.

# THE TURNING POINT

## My Real Father

'He hurt because I hurt.'  
The Prodigal Son saw his  
Real Father for the first  
time.

Intentions do not count.  
Only mercy saves.

# THE HEALING: FAITH IS ACTION

‘Howard Pittman,  
be it unto you  
according to  
your faith.’

Real faith is  
not just  
intellectual  
belief. It is  
acting on God’s  
Word, even  
when the pain remains.

# THE MESSAGE: THE LAODICEAN STATE

## **1. The Church is Lukewarm.**

“Thou sayest, I am rich... and knowest not that thou art wretched, miserable, poor, blind, and naked.”

## **2. Satan is a Personal Devil.**

He is winning the “numbers game” through deceit. If you do not believe the enemy exists, you cannot resist him.

# THE MESSAGE: NOAH'S SECOND DAY

Humanity sees the storm clouds but ignores the shelter. As in the days of Noah, they are eating, drinking, and building, blind to the coming change. An inflpartats comity. The Placebo The Placebo keeps them asleep.

# THE MESSAGE: GIDEON'S ARMY

The Greatest News Since Pentecost. God is recruiting a specialized army for the 'Latter Rain' to demonstrate the power of Elijah. The 'holding pattern' is over.

# THE FINAL CALL: WAKE UP!

The time of the Placebo is over. Seek the Father while He may be found.  
Do not be part of the 97.5% who sleep through the storm.  
To him that hath an ear, let him hear.
